

UNITED STATES DISTRICT COURT
EASTERN DISTRICT OF CALIFORNIA

VENIS J. MAHORNE,

Plaintiff,

v.

COMMISSIONER OF SOCIAL SECURITY,

Defendant.

Case No. 1:23-cv-00415-CDB (SS)

ORDER GRANTING APPLICATION TO
PROCEED IN FORMA PAUPERIS AND
DIRECTING CLERK OF COURT TO ISSUE
SUMMONS, SCHEDULING ORDER, AND
CONSENT OR REQUEST FOR
REASSIGNMENT DOCUMENTS

(Doc. 2)

Plaintiff Venis J. Mahorne (“Plaintiff”) seeks judicial review of an administrative decision of the Commissioner of Social Security denying Plaintiff’s claim for disability benefits under the Social Security Act. (Doc. 1). Pending before the Court is Plaintiff’s application to proceed *in forma pauperis*. (Doc. 2). For the following reasons, the Court finds issuance of the new case documents and Plaintiff’s application to proceed *in forma pauperis* appropriate.

I. Proceeding in forma pauperis

The Court may authorize the commencement of an action without prepayment of fees “by a person who submits an affidavit that includes a statement of all assts such person...possesses (and) that the person is unable to pay such fees or give security therefor.” 28 U.S.C. § 1915(a). Here, the Court reviewed the financial status affidavit (Doc. 2) and finds the requirements of 28 U.S.C. § 1915(a) are satisfied.

II. Screening Requirement

When a party seeks to proceed *in forma pauperis*, the Court is required to review the complaint and shall dismiss the complaint, or portion thereof, if it is “frivolous, malicious or fails to state a claim upon which relief may be granted; or...seeks monetary relief from a defendant who is immune from such relief.” 28 U.S.C. §§ 1915(b) & (e)(2). A petitioner’s claim is frivolous “when the facts alleged rise to the level of the irrational or the wholly incredible, whether or not there are judicially noticeable facts available to contradict them.” *Denton v. Hernandez*, 504 U.S. 25, 32-33 (1992).

III. Pleading Standards

A complaint must include a statement affirming the court’s jurisdiction, “a short and plain statement of the claim showing the pleader is entitled to relief; and...a demand for the relief sought, which may include relief in the alternative or different types of relief.” Fed. R. Civ. P. 8(a). The purpose of the complaint is to give the defendant fair notice of the claims, and the grounds upon which the complaint stands. *Swierkiewicz v. Sorema N.A.*, 534 U.S. 506, 512 (2002). As set forth by the Supreme Court, Rule 8:

... does not require detailed factual allegations, but it demands more than an unadorned, the-defendant-unlawfully-harmed-me accusation. A pleading that offers labels and conclusions or a formulaic recitation of the elements of a cause of action will not do. Nor does a complaint suffice if it tenders naked assertions devoid of further factual enhancement.

Ashcroft v. Iqbal, 556 U.S. 662, 678-79 (2009) (internal quotation marks and citations omitted). Vague and conclusory allegations do not support a cause of action. *Ivey v. Board of Regents*, 673 F.2 266, 268 (9th Cir. 1982). The *Iqbal* Court clarified further,

[A] complaint must contain sufficient factual matter, accepted as true, to “state a claim to relief that is plausible on its face.” *Bell Atl. Corp. v. Twombly*, 550 U.S. 544, 570 (2009). A claim has facial plausibility when the plaintiff pleads factual content that allows the court to draw the reasonable inference that the defendant is liable for the misconduct alleged. *Id.* at 556. The plausibility standard is not akin to a “probability requirement,” but it asks for more than a sheer possibility that a defendant has acted unlawfully. *Id.* Where a complaint pleads facts that are “merely consistent with” a defendant’s liability, it “stops short of the line between possibility and plausibility of “entitlement to relief.”

Iqbal, 556 U.S. at 678. When factual allegations are well-pled, a court should assume their truth

1 and determine whether the facts would make the plaintiff entitled to relief; legal conclusions are
2 not entitled to the same assumption of truth. *Id.* The Court may grant leave to amend a complaint
3 to the extent deficiencies of the complaint can be cured by an amendment. *Lopez v. Smith*, 203
4 F.3d 1122, 1127-28 (9th Cir. 2000) (en banc).

5 **IV. Discussion and Analysis**

6 The Court may have jurisdiction pursuant to 42 U.S.C. § 405(g), which provides:

7 Any individual after any final decision of the Commissioner made after a hearing
8 to which he was a party, irrespective of the amount in controversy, may obtain a
9 review of such decision by a civil action commenced within sixty days after the
10 mailing to him of such decision or within such further time as the Commissioner
11 may allow. Such action shall be brought in the district court of the United States for
12 the judicial district in which the plaintiff resides or has his principal place of
business...The court shall have power to enter, upon the pleadings and transcript
of the record, a judgment affirming, modifying, or reversing the decision of the
Commissioner of Social Security, with or without remanding the cause for a
rehearing.

13 *Id.* Except as provided by statute, “[n]o findings of fact or decision of the Commissioner shall
14 be reviewed by any person, tribunal, or governmental agency.” 42 U.S.C. § 405(h).

15 Plaintiff seeks to appeal the final administrative decision denying an application for
16 benefits. (Doc. 1). Plaintiff reports that the Appeals Council issued a notice denying a request
17 for review of the decision on January 13, 2023. *Id.* at ¶ 8. Thus, Plaintiff’s complaint is timely.¹
18 Plaintiff states that she is a resident of Fresno County, in the State of California. *Id.* at ¶ 1.
19 Therefore, the Court has jurisdiction over this action.

24
25
26

27 ¹ The Court presumes that Plaintiff received notice from the Appeals Council five days after the
28 date of notice – or in this case, on January 18, 2023. 20 C.F.R. § 422.210(c). Pursuant to Fed. R. Civ. P.
6(a), Plaintiff’s complaint is timely filed as of March 20, 2023.

V. Conclusion and Order

Plaintiff's complaint states a cognizable claim for review of the administrative decision denying Social Security benefits. ACCORDINGLY, IT IS HEREBY ORDERED that Plaintiff's application to proceed *in forma pauperis* (Doc. 2) is GRANTED. The Clerk of Court is directed to issue the following: 1) a Summons; 2) the Scheduling Order; 3) the Order re Consent or Request for Reassignment; and 4) a Consent to Assignment or Request for Reassignment form.

IT IS SO ORDERED.

Dated: March 21, 2023
